<p>Today is Martin Luther King Jr day!</p> <p>You might remember during black history month we saw a part of one of his speeches. Watch the PowerPoint I have sent to you and then see if you can find out any facts about Martin Luther King and make a poster a bit like you did for</p>	<p>Please watch the link of me reading the next part of our book to you which I have sent on purple mash. Please read 3 pages of your book to me in a strange place and send in a video of your reading! I can't wait to see where you all end up.</p>	<p>Watch the clip of me reading our book again from yesterday. How do you think Freya felt when she went to meet the queen? Think of a list of adjectives to describe her feelings and write them down.</p>	<p>https://vimeo.com/221064596</p> <p>Watch this link to remind you of the features of a diary. Can you write a diary entry as though you are Freya about her trip to Buckingham Palace so far? You can also use the checklist I have sent to check</p>	<p>For today's English I will be seeing you for an online spelling test! After the spelling test I would like you to choose 4 spellings to write into a sentence (if you get any wrong it would be a good idea to choose those ones to work on)</p>

<p>your presentations. You can be creative as you like!</p>			<p>your work when you are finished. Don't forget conjunctions to make your writing more interesting.</p>

<p>Following on from the beautiful portraits you did last week, can you use the knowledge you now have on drawing portraits to create a portrait of Martin Luther King Jr to celebrate him on his special day? You will find many pictures of him if you google search his name.</p>	<p>Jesus told lots of stories which we call 'parables'. Watch the link of the parable called 'The good Samaritan' https://www.youtube.com/watch?v=aSfm2xdKau4 What do you think the moral of this story is? Do you think that Samaritan did the right thing? What would you have done if you found the man? If you would like to have a go at the quiz I have sent to you about the story you can try that too!</p>	<p>This week I would like you to choose one of the animals that you drew/ stuck in from a cold country to research. What countries do they live in? Can you find any interesting facts out about your animal? Create a fact file on your chosen animal. You can present it any way you like.</p>	<p>Look at the country your animal comes from. Which continent is this country in? Which Ocean surrounds this country? If you need reminding then watch the sings that we learnt in school. https://www.youtube.com/watch?v=X6BE4VcYngQ and https://www.youtube.com/watch?v=K6DSMZ8b3LE</p>	<p>Can you make a home for an animal of your choice? Use sticks, leaves, stones, branches etc when on your walk to create a habitat for your animal. Which animal have you chosen and why have you made the home in this way? Think about camouflage, and the needs of the animal.</p>
