

**Home learning Daily plan**  
**Year Two- Week beginning – 4<sup>th</sup> May 2020**

For Math's use this link to see each daily tutorial before completing the question sheet. <https://whiterosemaths.com/homelearning/year-2/> Week 3 -4thMay

Monday	Tuesday	Wednesday	Thursday	Friday
<b>Maths</b>	<b>Maths</b>	<b>Maths</b>	<b>Maths</b>	<b>Maths</b>
Take a look at the first set of worksheets which have been sent to you separately. Watch the tutorial on the link above. We are focusing on addition, fact families and number bonds to 20. Children should be familiar with the strategies being used.	Take a look at day 2 worksheets. We are focusing on comparing number sentences. Follow the questions carefully. We have used all of these strategies before.	Look at worksheet 3 on 'related facts'. Have a go at making the link between the numbers to find the answers on the sheets.	Worksheet 4 is revisiting adding and subtracting 1 from a number.	Can you make a list of all the number bonds to 20? If this is too easy you can do it to 100 too! Eg: 20 +80 =100
<b>English</b>	<b>English</b>	<b>English</b>	<b>English</b>	<b>English</b>
Please continue to write your diaries. Can you write a review of a book you have enjoyed reading? It might be one that you have read during your time at home or one from school. You can write it into your book or print off a template from twinkl.	Can you purple polish your work? How can you improve it? Can you look for spelling mistakes?	Can you write a set of instructions on how to make your favourite sandwich? Remember to include different time connectives such as: first, next, then, secondly, thirdly etc. <a href="https://www.youtube.com/watch?v=leBEFaVHIIE">https://www.youtube.com/watch?v=leBEFaVHIIE</a> watch this video to give you ideas- I think you will enjoy it!	Ask someone in your family to follow the instructions when making you a sandwich. Did it work? What might you need to change or add in to make it better?	What have you enjoyed doing the most this week? Write about your favourite activity or day and what you did. Don't forget capital letters and full stops!
<b>Art/Dt</b>	<b>RE</b>	<b>Science</b>	<b>Music</b>	<b>Forest school</b>
Can you design your own front cover for the book that you have chosen to review? What would you make it look like? You can be as creative as you like when designing it- it could even be 3D! <a href="mailto:badger@stjohns-farnham.surrey.sch.uk">badger@stjohns-farnham.surrey.sch.uk</a>	Why is it important to show love to people? How do we show love? What does the bible teach us about love? Remember to show someone you love them today, how did that make them feel?	See purple mash for this week's Science work.	Take a look at this music class online by Mylene Klass and learn a basic rhythm!  <a href="https://www.youtube.com/watch?v=8XXmBlTadys">https://www.youtube.com/watch?v=8XXmBlTadys</a>	Take a look at your camp. Do you think it was a good camp? Why? What worked and what did not? Reflect upon what you know makes a good shelter and decide what you think is good and what needs improving. You could even make the improvements after!

<https://www.twinkl.co.uk/home-learning-hub> This also offers a suggested daily time table if you prefer.

Some people have asked for end of year expectations
