

Home learning at St John's C of E Infant School

Reception	Year One	Year Two
<p align="center"><b>Autumn</b></p> <p align="center">Speed sounds set 1 book Reading book to be read as often as possible</p>	<p align="center">Reading book - Read at least 3 x a week</p> <p align="center">4- 6 spellings a week</p> <p align="center">Alternate between maths and literacy</p>	<p align="center">Reading book - Read at least 5 x a week</p> <p align="center">4-8 spellings a week</p> <p align="center">Alternate between maths and literacy</p>
<p align="center"><b>Spring</b></p> <p align="center">Speed sounds 2 Reading book to be read as often as possible Key word cards</p>		
<p align="center"><b>Summer</b></p> <p align="center">Speed sounds book Reading book to be read as often as possible Key word cards if they can read on sight then write them.</p>		

These literacy and maths based activities may be based upon the theme or topic. They may be cross curricular. We may also send out ideas for further home learning as a result of that days learning on the Marvellous me app.

Whilst home learning has an important place we also place importance on fresh air, and activie learning.

Children build up valuable skills through varied play opportunities, sports and social interactions making happy, healthy learners.
